

How to get to **Montemar Natura Resort** holiday complex in Peñiscola

- 1.** 1. If you're coming on the highway you should take the entrance N° 43 Benicarlo-Peñiscola (if you're coming on the national, always look for Peñiscola, it's the same entrance).
- 2.** 2. After passing the toll gate, you should go towards Peñiscola. You will reach Estación Avenue (it's a straight road that connects the center of Peñiscola to the highway exit).
- 3.** 3. Once on the Estación Avenue, you will see on the right side of the road Karts "Go Luna Park" (for sale at the moment).

Next, while travelling on the road, also on the right side, you will see the following billboards:

1. Hosteria del Mar
2. Peñiscola
3. Camping Bellavista

After passing the last billboard, also on the right side, you will see a little indicator of Infoturismo. After passing this last indicator slow down, we are close.

Next, on the right side of the road you will see a little advertising poster of Montemar Natura, Urbanización Covetes and Almacén Municipal.

- 4.** You should turn right on this road and make a slight turn to the left, continue straight ahead until you'll reach some yellow houses. You should border these houses and leave them on your left side.
- 5.** Once you've passed the houses, go straight until you reach a STOP. After about 100 m, if you'll look on your left you will see our apartments (they're orange-coloured).
- 6.** After that turn left, go down the road that's next to a steep slope called Les Moles, and you will find the access to the complex Montemar Natura Resort. You have reached your destination.

If you have any doubt or for more information, don't hesitate to contact the person that will hand you over the keys.
